Two words that always strike a chord - BRAND NEW - define this freshly finished town residence conveniently close to child care facilities, parks including Ralph Reserve, schools and freeway access. High ceilings and LED lighting frame desirable dimensions throughout a design featuring living and accommodation on each level. Northern light and an alfresco patio pavilion accompany a living/dining area served by a kitchen with stone benches and a walk-in pantry on a ground floor that includes a luxurious master suite. Three further bedrooms and a double vanity main bathroom share the upstairs proportions with the substantial, flexible retreat of a home where split system heating/cooling enhances each principal room. Large windows admit lots of light that's filtered by external blinds, motorised for top floor user-friendliness, while waterproof hybrid flooring downstairs, quality carpets in bedrooms and 7 star energy efficiency further enhance the sense of contemporary quality. Landscaped gardens, a shed, water tank and secure garage complete a picture of brand new freshness.
