Elegance, space, and seclusion converge in this sophisticated townhouse. Bright, contemporary interiors and a remarkable sense of openness and privacy define this well maintained standalone home. Crafted for effortless living and seamless indoor-outdoor entertaining, it offers a tranquil haven for living and entertaining in a supremely convenient locale. Situated within a boutique enclave of just four residences, this strata-titled gem is perfectly positioned for modern lifestyles, with nearby green spaces, shopping amenities, and the light rail all within easy reach. Highlights include expansive living areas seamlessly extending to outdoor spaces, a luxurious travertine courtyard, and an inviting alfresco deck. Plantation shutters and ample built-in storage enhance every room, while a sleek CaesarStone kitchen with stainless steel fittings promises culinary delight. Secure double parking with storage, designer bathrooms, and an internal laundry add to the allure, complemented by air conditioning and elegant hardwood floors. Additional features include built-in wardrobes, ensuring both style and functionality throughout. 182 SQM Internal | Total Size Including Double Garage Parking 262 SQM
