Completely renovated and move in ready, this charming 1950s weatherboard home has been perfectly tailored for modern living. Whether downsizing, investing, or entering the property market, this home has a lot to offer. The elevated entrance porch is a welcoming first impression. The main bedroom boasts a northern outlook, a private ensuite, and built-in robes. Two additional bedrooms provide ample space for family or guests. The kitchen and meals area are thoughtfully designed with modern appliances, making it a hub for both cooking and entertaining. Relax in the lounge equipped air-conditioning. Seamlessly integrated, the main bathroom also serves as a laundry. The renovation extends to essential elements, including re-wiring and re-plumbing, ensuring a modern living experience. Enjoy the convenience of a double carport with remote control door and garden shed. The alfresco area at the side of the house offers a private oasis and the fully fenced front yard has lush lawn and vibrant garden beds serviced by an irrigation system. Positioned on 524m², this home's fantastic location near Castlemaine adds to its appeal-just 2km from the CBD, with walking and mountain bike trails nearby, easy access to the train station, and close proximity to Winters Flat Primary School.
