Capturing the essence of low-maintenance, cosmopolitan living, this fully-renovated three-bedroom unit offers a carefree contemporary lifestyle in a convenient Chadstone pocket. Immaculately presented given its flawless refurbishment, inside and out, this fabulous starter, downsizer or investment has been designed to satisfy the busy lifestyle demands of today's modern buyer in a desirable location that's within easy walking distance of St Mary Magdalen's School and Salesian College and moments from Chadstone Shopping Centre, Holmesglen train station, Holmesglen Institute, recreational parklands and the Monash Freeway/Eastlink, which provides a gateway to the CBD in one direction and the sandy beaches of the Mornington Peninsula in the other. The front unit on a block of only two, with no body Corp fee, a bright and brilliant living area on entry reflects the unit's new stylish persona, as does the modern kitchen with 900mm stainless steel appliances and contemporary bathrooms that comfortably service the three spacious bedrooms. A generous undercover alfresco that looks across the pristine grass-free and therefore very easy-to-maintain courtyard invites you to entertain in style any time of year, while an internal laundry, ample storage, remote lock-up carport, garden shed, modern timber flooring, air conditioning and a generous front yard add additional layers of positive appeal to this single-level sensation.
