Begin your family journey or downsize without compromise in this prized neighbourhood by stepping into this sophisticated single level residence, positioned proudly at the front of just two. Radiating spellbinding appeal, relax after a long day in the generous lounge and dining room; a luminous space where richly polished Tasmanian Oak floorboards and an attractive view out to the lush front garden lawn provide a delightful backdrop. Entertaining is a pleasure with the benefit of a gourmet stone kitchen, fitted with Westinghouse/Bosch stainless steel appliances. Featuring three bedrooms, all with built-in robes, appreciate the vogue dual-vanity bathroom with floor-to-ceiling tiling, a second toilet, ducted heating, split system air-conditioners, a double auto garage and a single off-street car space. Zoned for much-loved Birralee Primary School, stroll with ease to vibrant Village Avenue cafes. Metres from the bus bound for Doncaster Park & Ride, you can then catch buses traveling to Kew's private schools, Westfield Doncaster and the city.
