\$390 Per Week

Immaculate and modern 2 bedroom villa unit with utility or rumpus room downstairs and lock up garage is sure to impress! Upstairs, are the two double bedrooms, bathroom and separate shower, separate toilet and laundry and a spacious lounge dining and kitchen area - serviced by a Panasonic heat pump. Downstairs is a large single garage and a roomy utility area which would make an ideal rumpus room. This excellent villa is complete with virtually maintenance free areas outside including extra off street parking.
