Why aren't there any villa units for sale in New Town? is a question I often hear, it's because they sell so quickly! If this is a question you've asked then don't waste any more time and get yourself along to this one. Fuchsia House is positioned in popular Montagu Street and features an open plan living, dining and kitchen area, 2 bedrooms, bathroom with separate toilet, an undercover entertaining area and a single carport. Walking distance to the supermarket and shopping centre and only a short drive to Hobart, get in quickly before it's too late. Call or message Adam today for an inspection.
