From its spacious living areas to its meticulously designed interiors, every detail reflects a commitment to excellence. The private courtyard, framed by expansive sliding doors, opens onto a beautifully landscaped garden, creating a seamless blend of indoor and outdoor living. Abundant natural light fills the home through large double glazed windows, highlighting the solid dark timber floorboards that run throughout the ground floor. The kitchen is a masterpiece of design equipped with German Appliances and Steamer Conbi Oven, featuring stone countertops and backsplashes, and cabinetry finished in a white colour that contrasts against the flooring. Spacious and luxurious master bedroom with walk-in robe and designer ensuite, a chic powder room, a full-size laundry, and an internally assessed double garage add to the home's appeal. Upstairs, three spacious bedrooms with built-in robes await. The central bathroom is equally impressive, with floor-to-ceiling tiling and bathtub, while the toilet is separately located. Other features include, alarms set up throughout the house, digital entry front door lock and terracotta roofing. Be the first to experience the unparalleled luxury of this newly completed home, which sets a new standard of living in a highly convenient location.
