If it's easy living you're after, you'll find it in a picture-perfect package thanks to this sublime two-bedroom duplex. With oodles of style to go along with its low-maintenance qualities, this is a home that'll appeal to downsizers or anyone looking for a stress-free and convenient life. Situated at the front of the block behind a delightfully verdant front yard, Unit 1 impresses from the moment you arrive. The exposed brick façade and tiled roof have a homey appeal, while the brick paved driveway leads to the lockup garage behind. There's side access to the rear courtyard, while a front door leads into the living room. Inside, the well-thought-out floorplan seamlessly flows from the lounge to the dining area. You'll love the wall-to-wall tiling, the abundance of natural light and the crisp aesthetic. This is a home it just feels good to be in. The kitchen will delight chefs with its masses of bench space, ample storage and solid appliances. This is a space that doesn't pull any punches – it gets the job done! There's easy access through the dining room sliding glass doors to the outdoor covered, paved and private courtyard. This will get a big tick from those who enjoy entertaining! The two generous bedrooms both have built-in robes, ceiling fans and carpets. The master boasts split system airconditioning, and a central bathroom services the entire home. It comes with a separate shower and bath and a vanity, while the toilet is in a separate room with a vanity. The internal laundry has a second toilet in it too. In an immaculate location just moments from Stockland Forster, you have everything you need on your doorstep. Grocery stores, boutique shops, amenities and a wide range of eateries are all there for you to enjoy. The beaches are also nearby, as are all the wonderful outdoor attractions of Forster. We'd love to tell you more, so get in touch with the JKL team today with any questions you might have!
