If there's one address that captures Williamstown in its purest sense it must be Nelson Place – and this superb modern residence clearly makes the utmost of such a sought after, life affirming location. Its independent street frontage and the inviting spaces that lie behind it are literally around the corner from Commonwealth Reserve, the marina and a range of restaurants that will feel like friends. Walk just a few minutes more to Point Gellibrand Park and the Ferguson Street/Douglas Parade shopping hub. Zoned for both Williamstown Primary and Williamstown High School. The scene is equally enjoyable when you're at home! Downstairs living and dining zones surrounding a superb contemporary central kitchen are accompanied by a separate study. Beyond, the decked dimensions of the courtyard create an irresistible outdoor atmosphere beneath an elegantly efficient shade sail. Three bedrooms arranged a beautifully renovated bathroom, featuring a separate bath and shower, define the upstairs level of this exceptional home. Ample storage. Convenient car parking. A joy!
