Just on ten years old, this well maintained low-maintenance townhouse sits on its' own title. The master bedroom is spacious and has built-in robes and has direct access to a full bathroom. The second bedroom sits at the front of the property and also has built-in robes. There is an open plan kitchen/meals/living zone with sliding door access to the low-maintenance paved courtyard area. There is direct home access from the over-sized single garage and the home is serviced by gas central heating and split system unit. Elevated at the end of a quiet 'court' there are also lovely views from the front of the property. With schooling, public reserves and public transport all at hand this could be your perfect property. Call Liam direct to discuss further.
