\$720,000

Outside the home, a double garage is neatly tucked away from the street behind a driveway on the left hand side. Access to the property is granted via a secure gate which leads guests to the home's expansive and low-maintenance alfresco entertainment area. Entry to the house is gained via a glass sliding door that places you at the dining room at the centre of the home. Gorgeous polished timber floorboards are found throughout the communal areas, granting the home a luxurious atmosphere. To the right lies the home's large living room that remains bright and open all day round thanks to large glass windows that capture the natural light. Ducted heating is found throughout the home and an air conditioning unit is placed in the living room to keep the entire house cool in the summer thanks to the home's free-flowing layout. The kitchen lies to the left of the dining room and features beautiful granite countertops and top-of-the-line stainless steel appliances. Tucked behind the kitchen is a separate laundry that benefits from a carefully placed skylight that keeps the room bright throughout the day. The two bedrooms lie at the rear of the property and share a communal bathroom that also doubles as an ensuite for the master bedroom. The master bedroom is abundantly spacious and leads to a large walk-in wardrobe that gives way to the bathroom. With two doors providing access to this room, the second door takes you through to the corridor with the second bedroom located at the end of the hall. The second bedroom features in-built wardrobes and would be perfect as a kid's bedroom or as a study for those working from home. Located in a central position that is well-connected with the Eastern Freeway, Westfield Doncaster, Box Hill Central and an abundance of nature reserves, this two bedroom unit is in the perfect position. Bushy Creek Trail is only a 5-minute walk from the home while the shopping centres are around a 5-minute drive away, providing easy access to shops, restaurants and cafes. For those with children, the home is well placed to take advantage of some of the best schools in the zone, including Box Hill North Primary School.
