Sick of boring, typical properties that all look the same? Well have we got something for you! 1/974 Chenery Street is a wonderful surprise from back to front that will grab you from the moment you walk in. This stand-alone townhouse is unassuming from the street but really packs a punch. The large light filled living space is accentuated by the elevation it has yet retains great privacy when entertaining or just hanging around at home. The split-level design allows for 2 large bedrooms, with ample robes rarely found in this type of property, and are serviced by a full bathroom with separate toilet. There are multiple car parking spaces along with room for a boat, trailer or small caravan. These benefit from a lock up storage room that is perfect for tools, bikes or even a wine cellar. The home is in immaculate condition and move in ready but also has the opportunity for a freshen up if desired. Positioned only 1.5km to Dean Street this property will make your life easy and enjoyable for many years to come. Get in quick as this property has been tightly held for nearly 3 decades - don't wait 3 more to get in. From all of us at Drummond Real Estate we wish you every success in your search for a home.
