Enjoying a private front position, this beautifully presented townhouse is striking in every aspect and is sure to attract the immediate attention of astute buyers seeking modern living. Underpinned by single level excellence, quality appointments throughout, spaciousness and everyday comfort is obvious throughout the thoughtfully conceived floor plan. Beginning with a contemporary exterior, the layout is light filled and spacious. The open-plan concept encapsulates the lounge through to meals area to create a generous living zone ideal for socializing and entertaining. This expansive space opens to an undercover alfresco deck, the perfect entertaining domain and a low maintenance garden with fire pit. The modern kitchen forms the backdrop of the meals area and brings together all the essential elements that a keen cook could desire with stone benches, breakfast bar, stainless steel appliances including gas cook top, rangehood, dishwasher, oven and tiled splashback. The sumptuous master suite comprises a walk in robe and full ensuite while the additional two bedrooms are both equipped with built-in robes, sharing the luxurious central bathroom that is enhanced with a large shower and free standing bath. Additional amenities comprise a modern TV/electric fireplace feature wall, separate laundry, ample storage, evaporative cooling, ducted heating, along with a split system, remote double garage providing both internal and external access and a garden shed. Strolling to Alchester Shops through a serene forested path and a quick drive to the vibrant hubs of Boronia and Bayswater covers all your amenities and shopping requirements. With a range of primary and secondary schooling choices, as well as nearby train stations and convenient access to Eastlink, commuting to the CBD is effortless. Design, quality, and size - this one is sure to impress!
