Introducing an expansive residence situated on a tree lined corner block with privacy. This property was custom designed and built to a perfectionist standard. Space and luxury living are on offer. The marvellous single level floor plan results in a building footprint that provides flexibility and room to move. Space and style collide in abundance - every occupant has the ability to retreat into their own private area, or meet in the central entertaining space. We have no doubt that the outdoor alfresco will become the new go to place for all social gatherings. The chef of the home is catered for with a well-appointed kitchen. 40mm stone benchtops feature complete with a waterfall edge. The kitchen is positioned in the heartbeat of the home and overlooks the sparkling in ground swimming pool and alfresco area. For those who enjoy a morning coffee - there are four outdoor areas to choose from to sit, sip and soak up some sun. This property ticks every box for the occupants to enjoy the great outdoors lifestyle the Sunshine Coast is renowned for. Additional features include: Four spacious bedrooms, plus powder room and designated study Master Suite features underfloor heating in a suite, instant hot water operates on sensor Formal lounge room with custom Japanese Shoji doors Drive through double garage to additional secure space for boat or van Intercom at pedestrian gate entry Portico for protected visitor parking Lockable pedestrian gate access Swimming pool Sensor lighting Crimsafe doors and windows Security alarm system Irrigation system in place Central vacuuming Ducted air conditioning Outdoor shower with cold + hot water The lifestyle that comes with living 'on the island' combines healthy happy families with relaxed retirees. The demand for properties in this precinct is fueled by the Islands walking boulevard, the safe sandy beach inlet of double bay, and the outdoor gymnasium. World class medical facilities are on your doorstep with the Sunshine Coast University Hospital less than 10 mins away. Fine waterfront dining at Green Zebra and Mykies By The Bay restaurants are also just meters from your front door. This property is one of a kind, simply put we do not have anything else like it.
