This outstanding modern home has been designed so that every family need – and exceptional spaces for entertaining – are complemented by the total convenience of a single level format. The result is an expansive property, beautifully planned and proportioned, featuring outstanding ease and flexibility. A formal lounge, large scale central living and dining areas and a separate home theatre each reveal inviting dimensions while an open-plan kitchen with a walk-in pantry, island bench, stone surfaces and free-standing oven caters with total efficiency. The main bedroom, its ensuite and walk-in robe are complemented by the family friendliness of three further bedrooms, all with built-in robes, a stylish central bathroom and a separate laundry. Heating and cooling enhance these superb indoor spaces, surrounded by low-maintenance landscaping, decked alfresco entertaining, a spa retreat and dual garages, one integrated into the home, its counterpart providing huge storage accessed from second frontage to Orana Street. Munro Street Playground, Wyndham Vale Primary School and shopping all just minutes away. 586sqm Approx.
