**\$90,000**

This parcel of land has been the home to plenty of history over the years. Starting as the Toogong Inn, before becoming a telephone exchange and post office. Unfortunately the historic building has seen better days and is in a delapidated state. Prime flat country ideal for hobby farming and centrally located between Orange and Forbes. Whilst the zoning is RU1 (Rural), having an existing homestead present lends itself to a new dwelling being built (subject to Cabonne Council development applications and approval).
