This seaside sanctuary occupies over a quarter of an acre of prime land, just metres from the beach and backing directly on to Bent Street Park. With stylishly decorated living, dining and entertaining areas; a contemporary kitchen and modern bathrooms, the property has a relaxed, welcoming feel ideally suited to a life filled with family and friends. The vast grounds contain several alfresco areas, a large pool, lush gardens and huge grassed play areas in one of the most loved streets in the area. The lifestyle enjoyed by the residents of the Bent Street parkland precinct is the envy of many. Acres of parkland dotted with playgrounds, cricket nets, basketball, football and soccer goals - a dream location for children to grow and play upon some of the finest coastal land in Perth. A masterpiece of urban design, the park network in this part of City Beach is linked to form a grass walkway to the beach crossing nearby. Kapinara and Holy Spirit Primary Schools and Empire Village are also within very easy reach.
