Our Admiral 32 is the perfect home for a large family. With 4 good-sized bedrooms (all with built-in robes), an open-plan dining and living space, plus a separate rumpus room, the home flows naturally. A gourmet kitchen provides plenty of space for meals and connects seamlessly with the alfresco area. Lots of storage with a convenient walk through pantry access from the garage, direct access to drop off the shopping. Large open plan living spaces all looking out over the backyard, take in any views of surrounding hills or create your own resort style yard complete with a swimming pool, we can help with that too! As property values in the area continue to rise, this opportunity promises not just a home but a valuable asset in a growing popular location, with all the amenities you need. Inquire today about a available home and land options in all different sizes of land and dozens of home designs to choose from, or let us help you create your perfect dream custom home.
