Step into a storybook setting with this enchanting Lowset home featuring 5 bedrooms, nestled on a vast acreage with a sprawling North-facing backyard and a captivating pool designed for family bliss. Escape into a world of your own on this grand 6713m² parcel of land, where every day feels like a retreat into nature. Generously laid out, the five bedrooms provide ample space for your family's every need. The versatility of this space is perfect for a home office or studio, making working from home a breeze. Bask in sunlight all day long in the large backyard, perfect for family gatherings and outdoor activities. The grand pool is more than a water feature; it's a built-in retreat for making lasting family memories. Positioned on a spacious corner block of 6,713m², this home offers both privacy and a grand entrance on Candowie Crescent. A peaceful hill graces the property, adding a layer of tranquillity and privacy, ensuring no neighbours disturb your view or peace. Step into a curated front garden featuring a range of Australian plants, providing a serene welcome to your haven. Enjoy the luxury of unobstructed views from the home, surrounded by a serene landscape that ensures a private and tranquil living experience. The property boasts a whimsical garden reminiscent of a fairy tale, adding a touch of magic to your daily life. You're happily ever after begins here.
