1 Church street is in need of some love, the original fibro home has two street frontages. There are 4 bedrooms with the 4th as a bedroom or a living area. The kitchen has been updated in recent years and has good cupboard and bench space. The lounge room has a reverse cycle air-conditioner. There are 3 living spaces and a sunroom. A large shed and covered area for storage. As the saying goes it has great bones and for a renovator a perfect location! The Northerly aspect and a 54 metre frontage leaves a lot to the imagination. 90 metres to the water's edge, perfect for Kayaking and fishing. 10min to Nowra and 2 hours to Sydney.
