\$505,000

This surprising home gives little away from its street frontage, tucked away in a family-friendly neighborhood, this easy-care home and sits on a 4,036 sqm corner block, just a few minutes to town amenities. The home comprises of 4 bedrooms, a functional family bathroom, main bedroom with ensuite, air conditioned kitchen/dining/lounge area and a separate media room. Outside there is a massive paved outdoor entertaining area capable of hosting the largest of family gatherings. A 2 bay carport at the house makes car storage a breeze and in the back yard there is an additional high bay colourbond with direct street access allowing for all the storage possible for caravan, boat, small machinery, a workshop or anything else you desire. Other extras include back to grid solar, garden shed, established trees and gardens.
