Perfectly positioned on a spacious corner block in the coastal hamlet of Pioneer Bay, this stunning renovated home is finished to perfection with nothing left to do except move in, relax and enjoy the breathtaking water views over Westernport Bay.

Immaculately presented both inside and out, the Hardiplank home has recently been renovated and boasts a calming colour palette throughout. An open-plan lounge, kitchen and dining area are flooded with natural light and feature stylish new floor coverings. The chef of the home will enjoy the well-appointed kitchen with an electric cooktop and oven, dishwasher and plenty of storage space.

The star of the show is the spectacular covered deck at the front, an ideal place to entertain with family and friends and show off the view. Two bedrooms at the front both feature built-in robes and a spectacular view to wake up to, plus a third bedroom or study ideal for those who work from home. The modern family bathroom has a huge walk-in shower and a separate toilet.

Stepping outside, you have a huge yard at both the front and rear (716sqm), with the bonus of side access to the backyard to store the boat or caravan, or build a big shed. Other features include reverse cycle heating and cooling, new window furnishings and light fittings, and a brand-new heat pump hot water system.

Ideally located just moments from the popular township of Grantville, ten minutes from the gorgeous beaches and boat ramp at Corinella and only ten minutes to Lang Lang, the welcoming community of Pioneer Bay has foreshore access to walk the dog and enjoy the ocean air, plus the local playground, basketball court and BBQ facilities are just four houses away.

Whether you're looking for an affordable first home, a quiet place to retire or a weekend escape, this property is well worth your inspection. Don't miss out...
