This family home matches oversized living spaces with expansive outdoor entertaining, creating an incomparable lifestyle experience in Oakleigh South's most sought-after residential district. Boasting four distinct living zones, the home's centrepiece is a stunning rear sunroom, wrapped in glass and accessible from all angles, opening along its western axis onto a paved entertaining area with gazebo and barbecue terrace. In the heart of the home sits a comprehensively-appointed sunlit kitchen boasting wraparound preparation benches, breakfast bar, ample cabinet space, and a walk-in pantry. Prioritising larger families, three bedrooms and a shared bathroom sit together along the entry, while at the far end of the property - discreetly positioned and intersected by a lounge & study - is the parents' retreat, complete with WIR, ensuite, and beautiful garden perspectives. It is separately zoned, and can support multi-generational living with kitchen plumbing already in place. Property features include substantial outdoor storage, ceiling fans, timber flooring, split-system A/C's, four-car off-street parking, and secluded east-facing entry gardens. In a tranquil pocket disturbed only by the sound of birdsong and the rustling of leaves, live within walking distance of both The Links SC and Oakleigh South Primary School, with Chadstone SC, Oakleigh Mall, and the M1 Freeway right nearby.
