\$500,000 - \$550,000

Nestled in a serene neighborhood with picturesque park views, this charming abode offers an irresistible combination of comfort, style, and functionality. Step inside and feel immediately at home in this inviting sanctuary tailor-made for you and your loved ones. At the heart of this residence lies the open-plan kitchen, meals, and living area. Featuring stainless steel appliances, gas cooking, ample bench space, and seamlessly merging with the dining area, it's a divine space for family gatherings and entertaining guests. And for quieter moments, the cozy carpeted family room beckons. Tucked away off the hallway are three bedrooms, including a master with ensuite, and a central bathroom, ensuring ample space for the whole family or visiting guests. Need a quiet spot to focus? The convenient study located at the entry provides the perfect environment for productivity. Experience the seamless transition from indoor to outdoor living with the paved pergola area, ideal for unwinding, entertaining, or simply soaking in the fresh air. For nature lovers, a spacious backyard offers endless possibilities for outdoor activities and relaxation. Spanning over 385m² (Approx), this property provides ample space for your lifestyle needs while maintaining a manageable footprint. Whether you're a first-time homebuyer looking to set down roots, an astute investor eyeing a promising opportunity, or downsizers seeking convenience without compromise, this home caters to your every desire. Additional features include a sealed two-car garage, ducted heating, and a split system, adding to the convenience and comfort of this remarkable home. Don't let this opportunity slip away. Schedule a viewing today and let this home enchant you with its warmth, charm, and boundless potential. Your own slice of paradise awaits.
