Nestled on a generous 1440sqm block, this enchanting property offers a perfect blend of modern living and natural charm. With its serene location this 4 bedroom, 2 bathroom home is sure to captivate those seeking comfort, convenience and a private sanctuary. The Red Cedar House boasts four bedrooms, providing ample room for a growing family or guests. Spacious master bedroom offers en-suite with walk in robe, other bedrooms provide built in robes. The home is thoughtfully designed with two separate living areas, creating versatile spaces for relaxation and entertainment. Whether you desire a cosy night by the wood combustion heater or a cool retreat with the split system air conditioning, this house has you covered. The heart of this home is the well appointed kitchen featuring a gas cooktop, wall electric oven, dishwasher and good storage options. Embrace the beauty of nature with sliding doors that open up to a spacious outdoor area, enjoy entertaining guests or simply relishing the peacefulness of the outdoors. The property is graced with mature fruit trees, offering a delightful array of fresh produce right at your fingertips. Additionally there are veggie garden beds for green thumbed enthusiasts plus shedding for your cars and space for the workshop. Situated in popular Wy Yung offering a sense of peace and seclusion. Contact us today to arrange an inspection of this property, we are selling 7 days a week.
