Welcome to 1 Elandra Street in Burpengary, where contemporary living meets timeless elegance. This stunning 4-bedroom, double-storey family home, just 4 years young, proudly graces a spacious 482m² corner block, encased in full-colourbond fencing with double-gated side access, offering a perfect blend of security and accessibility. Step through the entrance, and the allure is immediate - polished concrete floors guide you through the lower level, illuminated by the soft glow of strategically placed LED downlights. Downstairs serves as the vibrant heart of this home, featuring a capacious open-plan kitchen/living/dining area. Bathed in natural light, this space is an inviting haven, ideal for both relaxation and entertaining. Access to the undercover alfresco dining area beckons, seamlessly connecting indoor and outdoor living. For added convenience, a thoughtfully placed powder room complements this area. The kitchen, a culinary masterpiece, boasts integrated cabinetry, a central island bench, and a walk-in pantry, catering to the needs of budding chefs. The gas cooktop adds a touch of gourmet flair to this functional and stylish space. Ascend the staircase to discover the second living area and the sleeping quarters of the home. The centrally located living room is a versatile space, perfect for lazy family nights in. Four bedrooms await in this domain, with the master being a generously proportioned retreat featuring air conditioning and a spacious walk-in wardrobe. The ensuite is a luxurious sanctuary with floor-to-ceiling tiles, a double vanity, and a double-sized shower - a thoughtful blend of style and practicality. The three additional bedrooms are full-size doubles, adorned with ceiling fans and plush carpets. The main bathroom echoes the styling treatment, with floor-to-ceiling tiles, elegant black tapware, a bathtub, and a separate toilet. One of the standout features of this residence is the expansive yard space. The double-storey and corner block design afford abundant green space, providing an ideal playground for kids and pets. Double-gated side access opens the door to endless possibilities, accommodating a caravan, boat, trailer, or any recreational toys your heart desires. There's even ample room for those considering the addition of a pool, making this property a true outdoor haven. Perfectly positioned, the property places you mere minutes from the bustling Station Road shops, schools, daycare facilities, and freeway access, ensuring convenience at every turn. "What the Owner Says"
"We designed and built this home to be our own little slice of paradise, exactly how we envisioned it. Although it's with a touch of sadness that we part with our beautiful house, new opportunities beckon, and it's time for us to embrace bigger and better things. We sincerely hope the new owners love and cherish it just as much as we have."
