1 Fiora Court welcomes you home with warm, open space living, 4 large bedrooms, 2 bright bathrooms, fully ducted heating and cooling, a brick pizza oven, and access to the freeway less than 2 minutes away. This family home boasts easy and comfortable living, walking distance from schools, and public transport. Made from truly local Littlehampton Bricks the light and bright exterior matches the airy and open feel inside with 9-foot ceilings, and easy flowing kitchen, dining, and living. The master bedroom features the effortless comfort of a walk-through robe that allows access to the large ensuite. This design feature blocks sound and light between the bedroom and any early risers or night owls. Bedrooms two and three offer large built-in robes and share a generous main bathroom and separate toilet. The large main living space encourages inclusive family activities with room to move without feeling encroached upon. Bedroom four shares the two-way bathroom with the master bedroom, and offers flexibility as an extra living/lounge room, office, or spare room. The double glazing not only reduces your heating and cooling costs, but also adds extra sound protection for a feeling of greater privacy. Outside you'll feel the urge to entertain with the brick pizza oven that will cook you your very own, authentic pizza in a matter of seconds. Houses like this one are few and far between, and as you'd expect they don't last long. Come take a look during our open times and fall in love with spacious Adelaide Hills living - Welcome home
