With uninterrupted views over Sturt Gorge, you will love living here whether you enjoy entertaining or relaxing beside the pool. Spread over two levels, there is a sense of luxury at every turn, with oak timber floors, bespoke staircase, and high ceilings creating an opulent atmosphere. Step outside to meet the star of the show! The stunning pool oasis includes a gorgeous gazebo plus an outdoor kitchen, alfresco dining options and a projector for movie nights. The pool is heated for year-round enjoyment. The ground floor is designed with living and entertaining in mind, with an open-plan living, formal lounge room, home theatre, a large office and the all-important downstairs powder room. The kitchen could be straight from the pages of a magazine. It has 40mm stone benchtops, Smeg appliances, a large breakfast bar and a butler's pantry for additional storage. Upstairs, the master suite is a luxury retreat with a walk-in robe, a resort-inspired ensuite with a large bath and a balcony overlooking the leafy street below. There are three more spacious bedrooms with built-in robes and a retreat area upstairs.
