Are you tired of the concrete jungle and craving a serene escape? Welcome to your ultimate, tranquil weekend getaway on a spacious 4,135 m² block! Picture yourself sipping a cuppa by the creek listening to the running water. You don't even have to rough it out in a tent because there is an existing dwelling on the block and a caravan included in the sale, it's fully decked out with all the essentials - kettle, toaster, microwave, you name it! It's like glamping, but without the glam! The existing dwelling includes living area, kitchenette, perfect for whipping up some gourmet bush tucker (or just some good old-fashioned toast), and a bathroom that's the envy of any camping enthusiast. With water and power already connected, all you need to bring is your sense of adventure (and maybe a fishing rod). And did we mention it's just a short 10-minute drive from Parkes? That's right, you're close enough to civilization to grab a cheeky takeaway, but far enough away to escape the hustle and bustle.
