This fantastic shack is priced perfectly for the person wanting to get into a shack with a budget! Set on the bank of Arthurs Lakes, one of Tasmania's premiere trout fisheries could not be better positioned. A short walk to the local store that sells groceries, take away food, fishing supplies and fuel. With three bedrooms, a large open home lounge/kitchen and a bathroom with flushing toilet and shower this shack has everything you could need for a weekend getaway, fishing or shooting! A separate shed is another fantastic addition to this property and gives the ability to have a workshop or boat and car storage. Flintstone is located perfectly between the Great Lake and Woods Lake and is only a short drive to all that the Central Highlands has to offer. Shacks in this price range do not last long, for more information or to book a private inspection please contact the listing agent Kurt Knowles today!
