Embrace customised living in a sought-after area close to the Lower King harbour boat ramp, and within an easy drive of scenic rivers and beaches, schools, shops and more. Completed in 2016 and looking as appealing and stylish as ever, this property has delightful views of the park opposite and the distant hinterland. The beautiful home was custom-designed to suite the corner lot, and to allow for separate gated vehicle access and double garage workshop access from the side road. The entire property has been fully-fenced and features a very private backyard, with a choice of two alfresco entertaining areas and a handy garden shed. Enjoy the park views from the home's upscale master suite, with spacious walk-in robe and ensuite, or from the nearby dedicated office or fourth bedroom, with storage and desk. The expansive open plan living and dining area and high-spec, storage galore galley kitchen is certainly eye-catching. Frosted glass windows provide privacy, while still letting plenty of natural light into this space, and the central wood fire is the perfect winter warmer. The remaining floorplan has been just as well-thought out, with a quality main bathroom and great storage in the other bedrooms and the laundry. Essential viewing for discerning prospective owner-occupiers or investors. For more detailed information or to arrange a private viewing please contact Anne Palfrey on 0427 418 449.
