This stunning property is located in a sought-after blue ribbon address, perfect for those seeking a down-sizer townhouse or investment property. Built circa 1995, this immaculate home boasts a low maintenance yard and beautifully maintained gardens. Enjoy the sunny north-facing rear covered pergola and decking/courtyard which is perfect for relaxing or entertaining guests. The home features 2 bedrooms, both with built-ins, plus a separate study, providing ample space for a home office or guest room. The interior has been freshly painted and updated with new lighting and quality carpets which result in a bright and modern living space. The sunny aspect and orientation are complimented by air conditioning and back up electric heating. A detached double garage with remote doors adds another significant asset on one of Newstead's most intimate, tightly held cul-de-sacs that's beautifully quiet yet conveniently close to the shops, schools and the city centre. Free-standing, outstanding, a Newstead strategy that's certain to succeed.
