Step inside this cherished family home, tucked away in one of Bairnsdale's private and peaceful courts. Now on the market for the first time in nearly 30 years, this classic brick home was built to last, featuring two bay windows adorning the façade, three comfortably sized bedrooms and two living spaces. Each bedroom was designed to include built-in wardrobes and large windows, ensuring a private and light-filled space for each member of the family. Most recently the master ensuite and the main bathroom have undergone a full renovation, updating the rooms to be on par with what is expected in any modern build. The functional kitchen opens up into the dining space which continues on to a raised deck, complete with a secluded, fenced in spa. From the street, access is provided through the home's generous double carport, down to a shed and backyard, in addition, an adequate solar system has been installed to help with the rising energy bills. Additionally, being only a short distance from Bairnsdale's CBD and countless amenities, schools and services, who knows how long it might be before this opportunity comes around again. Don't miss your chance to take a look by contacting Sean Sabell on 0437 898 426 and booking your inspection today. View the Due Diligence Checklist: consumer.vic.gov.au/duediligencechecklist
