Capturing enchanting original mid-century modern design, this well-maintained single-level brick home offers a generous open floorplan ideal for family living, with an immense six-car lock-up garage bound to impress car enthusiasts and tradespeople! Positioned in a coveted family neighbourhood just a short stroll from Canterbury Road shopping and restaurants, leafy Wandinong Sanctuary, buses, and Blacks Walk bushland, the home is also set within the sought-after Box Hill High School zone and is within easy walking distance of Forest Hill Chase, Blackburn Lake Sanctuary, Orchard Grove Primary School, and Orchard Grove Reserve. A spacious open-plan living area includes an open fireplace and is set alongside a separate dining area and large study space. At the rear, an additional family room offers plenty of space for harmonious daily living, flowing out to an impressively proportioned backyard with a manicured lawn framed by leafy, low maintenance gardens. The light-filled kitchen offers good storage and a charming, servery window to the dining area, while three large bedrooms are each equipped with a wall of floor-to-ceiling wardrobes. An airy central bathroom includes a separate bathtub and is completed by a separate W/C and full laundry. Featuring hardwood flooring, gas-ducted heating, evaporative cooling, ceiling fans, external shade blinds, and both 2000L and 5000L water tanks, the home also offers a large powered bungalow ideal for use as a workshop, office, or home gym. An impressive six-car lock-up garage is complemented by a large carport and ample additional gated off-street parking ideal for a boat, caravan, or trailer.
