Promising an idyllic lifestyle for the growing family, this expansive 4-bedroom plus study home showcases exemplary space with the innate potential for a beautiful renovation. Nestled at the end of a family-focused cul-de-sac, its well-appointed interiors are met with spacious alfresco zones, a mere stone's throw from the John Monash Playground and Reserve. A sophisticated duet of formal and casual living spaces features large windows with premium drapes for the perfect mix of refinement and natural light, separated by a laminate kitchen with a gas cooktop, dishwasher and oven amidst an abundance of cabinetry and bench space. Entertain with ease under the cover of the adjacent terrace, leading out to established gardens ready for a new lease on life. The main bedroom is an indulgent space with its full ensuite and walk-in robe, separate from three additional robed bedrooms and an open home office, easily adapted as an additional bedroom or kid's lounge space. Complete with ducted heating and cooling, and a double garage, it sits mere metres from John Monash Playground and Carrum Downs Secondary, with Sandhurst Club, Banyan Fields Primary, Carrum Downs Shopping Centre, and buses all nearby.
