Presenting for sale is this quality 3 bedroom brick home with rural outlook. Spacious lounge room with an open fire place, opening into a formal dining room, plus the home is heated and cooled by split systems and ceiling fans throughout. Renovated kitchen with granite benchtops and polished timber floors. Featuring an art decor bathroom with a separate shower room. Internally the property has been freshly painted and has quality floor coverings and built in robes throughout with a separate laundry and sunroom. Outside presents an outdoor awning all around, a garden shed with extra toilet and sufficient rainwater, this also includes a double garage with electric door and double carport. All this and being set on a large but easily maintained block could be yours.
