Located in a sought after area, close to shopping centres, restaurants, doctors, cinema, library, High School, sports facilities, Parkland and Bus terminus to Brisbane. This lovely home is in a quiet location, on a corner with parkland across the road, and benefits from side access... so bring the boat and the caravan! This spacious, fully ducted, air-conditioned home has separate lounge and huge open plan kitchen/family/dining, that leads out to the undercover entertainment area. All four bedrooms are set away from the living areas and offer queen size or bigger accommodation. The master ensuite has a walk-in robe and access out to the undercover entertaining area with good sized back yard, offering plenty of room for the kids to play. The home also benefits from Solar power. Contact me today to arrange your inspection, or to discuss further - with Victoria Point booming, this is a great time to get into the market. Situated in South East Queensland, Victoria Point is a lovely Bayside suburb enjoying a sub-tropical climate most of the year, with a good sense of community values and everything at your door including, fantastic Bay walks with beaches at low tide. Yet, just 35-40 minutes by road from Brisbane City and the International Airport. There is also a good transport infrastructure to the Gold Coast and Sunshine Coast, a train station within 15 mins plus the islands of Moreton Bay are easily accessed via ferries.
