Offers over \$598,000

Bring the toys, bring the boys, bring the pets and the kids. This gorgeous home is located on a large corner allotment on a nice quiet street in Andergrove. With heaps of room for a pool or an extra shed or put in that vege patch of your dreams. The home is constructed of solid concrete block with 3 super sized bedrooms, all with built in robes, ceiling fans and split system air. The main bedroom has polished timber floor boards and the other 2 have brand new carpet. The centre bathroom is extra spacious with double vanity and separate toilet which is also brand new. There is a second shower and toilet in the large, 2 bay powered shed which is super convenient for the boys or kids after working or playing outside. The kitchen, living and combined dining are to the opposite end of the home, has split system air and the property has both front and rear entertaining areas. There is a double carport off the shed and so much room around the entire home to extend if you want to. A 6.6Kw Solar system will keep your power bills down as well. Freshly painted, fully fenced, clean and tidy and within walking distance to schools, shops, parks, sports and just minutes to CBD and medical. If you're in the market for a big block with a tidy home, this one should not be missed. Call Jodie now for more info.
