This beautifully decorated large family home is located in the Manor Lakes estate, standing tall and proud on a quiet street. It offers a range of desirable features that make it perfect for those seeking a fun-filled lifestyle and a comfortable living environment. The house comprises four spacious bedrooms, including a master bedroom with an ensuite bathroom. There is also a large study, providing a dedicated space for work or study needs. The formal living area offers captivating views of the expansive open parkland spaces nearby. The galley-style kitchen is well-designed and adjoins the large open-plan family and meals areas, creating a seamless flow between the living spaces. The high ceilings enhance the sense of space and grandeur throughout the home. For added security, the house is equipped with an alarm system. It also offers split system air conditioning, gas ducted heating, and evaporative cooling, ensuring comfortable temperatures year-round. The large upstairs rumpus room provides additional space for recreation or relaxation. The property boasts several outdoor amenities designed for entertainment and enjoyment. There is an all-weather entertaining area featuring artificial grass and neat paving, making it low maintenance. The double remote garage offers internal access for convenience. One of the standout features of this home is the sensational in-ground solar-heated swimming pool. It provides an ideal setting for entertaining and enjoying leisure time with friends and family, especially during warmer months. With its grand scale and luxurious features, this home offers a rare opportunity to secure a magnificent family residence. The wonderful views of the parkland spaces right at your front doorstep add to its appeal. If you're looking for a spacious and beautifully appointed home that combines size, luxury, and a convenient location, this property has it all.
