Welcome to 1 Mackillop Court - A single level 3 bedroom, 2 bathroom home situated on the corner block of this exclusive cul-de-sack laneway behind the main thoroughfare of Pacific Way. Only metres to access the lush greens of the Tura Beach Golf Course and short stroll or buggy ride to enjoy clubhouse facilities such as tennis, bowls, restaurant and betting. The functional floor plan of the home includes two independent living zones (both with reverse cycle aircon) - a large lounge with bay window, and a combination dining and kitchen. Newly renovated with fresh white cabinetry, caesarstone benchtops and feature black fixtures and fittings, which include sleek induction cooktop, island bench sink and dish-draw dishwasher, in addition to loads of storage cupboards and drawers. All bedrooms have built in robes, the master with walk in robe and ensuite. Separate laundry offers access to the North facing private courtyard and timber decked alfresco area. While the vendors have cleverly converted the double garage, with internal entry, into 2 individual treatment rooms and workshop area - their forward thinking ensures that this arrangement is easily reverted with minimal inconvenience. Other features - 13.2kW solar, double sheer and block out roller blinds, sleek vinyl plank flooring throughout and several options for additional housing for vehicles, caravan, boats or trailers.
