\$1,350,000

Set on a generous garden allotment this home has been designed to accommodate a large family. Beautifully maintained throughout & positioned in a quiet court location this home will provide quality family living in this highly sought after location. Comprising 4 bedrooms with B.I.R's, massive master with ensuite, study, enormous living area incorporating lounge & formal dining. The large kitchen with so much storage opens out to an informal dining/living area. Features include slab heating, split system heating & cooling, 2 car garage with internal access, ample storage, induction cooktop & three phase power. Externally the home is complimented by the beautiful gardens which are clearly visible from the inside.
