Indoor/outdoor living at its brilliant best, this charming mid-century home in historic Newlands is set to impress with its free-flowing design, lush garden surrounds and terrific poolside/alfresco areas to relax and entertain. Impeccably presented, the luminous interior boasts three generous bedrooms with mirrored robes all serviced by an updated bathroom and separate WC. Spacious and versatile with leafy views from every window, the open living/dining area is further enhanced by a contemporary kitchen complete with stainless-steel cooking appliances and dishwasher. Add to this a separate study/sunroom and internal laundry, as well a gas-log fireplace and reverse-cycle split-system air conditioner. Complementing the gleaming interior are wonderfully private gardens to the front, side and rear, plus a pool with decked surrounds, alfresco-style entertaining area, under-house storage and remote-control garage/workshop (to Elizabeth Street). Bus stop around the corner and Merri Creek parkland at the end of the street, it's also close to Nicholson Street trams, local schools and Coburg Hill Shopping Centre, as well as easy access to Pentridge Palace Cinema.
