\$1,080,000 - \$1,160,000

Commanding a prized court position in exclusive Keilor Lodge, this architecturally striking four bedroom, two bathroom residence has undergone an amazing transformation. Elegant and opulent beyond a bold façade, beautifully enhanced interiors showcase double-height entrance hall, formal lounge and adjoining study zone enjoying towering cathedral ceilings, wonderful natural light and seamless connection to a covered entertaining deck set within high walled, rose gardens. Modern timber floorboards flow to superbly renovated kitchen, meals zones complete with quality appliances, stone counters and large pantry, and adjacent living room where soaring ceilings and clerestory windows flood the space with ambient light. Four robed bedrooms are paired with two classically tiled bathrooms, including a large ensuite to the main bedroom featuring generous dimensions and fitted built-in-robos. Finished with an internally accessed double garage, the home assures year-round comfort and convenience with split-system air conditioning, ducted heating and vacuuming, solar electricity, family laundry, powder room and private backyard. Walking distance from Taylors Lakes shops, buses and parklands, and only minutes from Watergardens, schools and freeways.
