Ready for a renovator? Well check out this roomy classic! Built of double red brick with a new Color-bond roof this is in a fantastic position, is elegant, generous and very spacious. With three to four double bedrooms an enclosed sun veranda and a superb warm rear sunroom, there is space to be creative and comfortable. Beneath the carpets are Tas Oak boards plus there are many timber features such as, picture rails, hall arch, high skirting boards and beautiful mantels. The high ceilings give a feel of extra space and grandeur. With all day sun and relaxing Mountain views you can watch the beautiful sunsets and know what the weather has to hold for the day. On the level with vehicle access to the flat backyard, carport, garage and shed. Easy walking to the bus, schools, shops and only eighty doors from the inter City bike/walking track, it is a beautiful quiet level position. Walk to the New Town shopping Plaza or to Moonah Central, this has it all. If you are looking for a project that will not only be rewarding but will give you a sought-after grand house in an amazing area then, be quick to phone Neville 0417 526 755 for your personal inspection
