Beautifully kept by the same family since the day it was built, this charming original home makes its market debut in Lalor's most sought-after central pocket. Residing on approx. 683sqm, there's exceptional scope for home buyers or astute investors seeking a prized location near all essential amenities. Solid floorboards shine throughout the home, starting in the elegant L-shaped lounge with ducted heating and A/C unit. Large north-facing windows fill this spacious and stylish area with natural light, wrapping around to the warm and functional timber kitchen and meals zone. The master bedroom is also north-facing with large timber BIRs, while 2 further bedrooms offer BIRs of their own. The bright bathroom boasts a large vanity with generous bench and cupboard space – plenty of storage for busy families alongside a separate WC and laundry. The extensive backyard features a landscaped garden ideal to play or entertain. Ample parking is provided out front, with gated side access plus a storage shed nestled at the rear. Stroll to Lalor Station, Station Street and the shops, cafés and Coles on May Road. Travel easily to primary/secondary schools, Costco, Epping Plaza, Northern Hospital, Stockade Park, Lalor Recreation Reserve, TRAC, M80 access and much more.
