Tucked away at the end of a private access road, lined with a canopy of Redwoods, Rhododendrons, Azaleas and Camellias, this 7-acre approx sanctuary offers not only quiet seclusion but also views that stretch from Cardinia Reservoir and out towards Westernport Bay. Host to a 100 year old chestnut grove and native species of eucalyptus and tree ferns, this property offers a sought after location to build your architecturally inspired home (STCA). Neighbouring the hillside views of Hancocks Daffodil Farm that come alive with colour in Spring when the daffodils come out and within 6km's of both Emerald and Belgrave townships, this piece of Hills paradise could soon be yours.
