The exterior may be modest, but the interior is a stunning showcase of engineered floating floors, luxurious stone benchtops, and soft sheer curtains, creating a modern family living space in the coveted Vermont Primary and Vermont Secondary catchment area (STSA). Set privately behind high fencing and gates, this stylish and spacious home features a magnificent open-plan kitchen and sunroom, perfect for family gatherings. This bright and airy space seamlessly extends to a north-facing pergola, offering a sunny spot for relaxation. The sophisticated family bathroom includes a frameless shower, twin basin vanity, and a second toilet. An additional bathroom features a shower-over-bath combination in a versatile laundry room. Ideal for young families, the home provides zoned bedrooms at the front, a contemporary kitchen with new appliances, ducted heating, evaporative cooling, a slow combustion wood heater, and a large flat grassed yard for secure outdoor play, pets, or a vegetable garden. Instantly inviting and perfectly located, this home is just a 5-minute walk from the top-performing Vermont Secondary College. The 742 bus to Chadstone is conveniently located out front, and excellent shopping amenities are nearby at Vermont South, Brentford Square, and Eastland.
