Welcome to 1 Mountain View Crescent, a property that offers space, tranquillity and luxury. The home is set on a 6187sqm parcel of land boasting well thought out beautiful parklike grounds, allowing for seclusion and privacy from surrounding neighbours. Grindelwald is known for its impressive Swiss style architecture, which can clearly be seen throughout this property. The semi open plan kitchen/dining flows through to the main living area, which has been thoughtfully designed to allow for the configuration of 2 large living spaces. Make your way through to the spacious sun room from the dining area and enjoy the peaceful outlook of your own private sanctuary. All of the bedrooms are of a larger size, with 3 of the bedrooms recently fitted with new heat pumps to ensure optimal temperatures through the home. The master bedroom also offers a large walk in robe in addition to built-in robes and ensuite. To compliment the large home the property features multiple undercover parking options, including a double garage, a double carport and an additional separate garage/workshop. With so much to see and only a limited number of words to describe it, phone today to hear more about all that this amazing property has to offer. *Peter Lees Real Estate has used a variety of sources to obtain information relating to this property.
