Elevate your lifestyle in your brandnew townhouse located in Caboolture, where modern design meets convenience! Whether you're after a spacious 3 bedroom townhouse or a contemporary 4 bedroom option, we have the perfect choices for you, set to be built by early 2025, offering comfort and style. Our new contemporary 3 and 4 bedroom townhomes redefine sophistication with high-end finishes, High End Appliances, Feature lighting, air conditioning throughout and spacious floor-plans. Fostering a harmonious connection between indoors and outdoors, the 2-storey townhomes boast generous open-plan living areas that gracefully extend to leafy courtyards, complemented by meticulously paved entertaining terraces. Upgrades included 3 Bedroom Townhouse Highlights: 3 Bedrooms: Generously sized bedrooms, including an ensuite and a second upstairs bathroom, offer the perfect retreat for your family. Powder Room: A convenient powder room adds comfort for you and your guests. Large Living and Dining: The open-plan layout creates the perfect space for making memories. Lock up garage Close to All Amenities: Located just a stone's throw away from all that Caboolture has to offer - shopping, dining, schools, and not to mention the Centenary Lakes Park only 5 m away.
